Tax Section Comments on IRS Regulation Projects

The Tax Section has members working on comments on the following IRS regulation projects. If you are interested in participating in either comment project contact Brian Harris at brian.harris@akerman.com.

(1) **Transfers of Property to Partnerships with Related Foreign Persons.** We are looking at putting together a group and are soliciting volunteers to prepare comments in response to Notice 2015-54, Transfers of Property to Partnerships with Related Foreign Partners and Controlled Transactions Involving Partnerships. Notice 2015-54 is aimed at IP migrations that utilize partnerships. A typical IP migration involves a transfer of IP from a US company to a foreign company. As such, the use of partnerships is the less frequently used approach. Portions of Notice 2015-54 mandate the use of the remedial method under Code Section 704(c) to cause the US contributor to have income, and portions seemingly apply IRC 482 principles in a manner this is possibly inconsistent with the *Veritas* decision and invokes the income allocation rules used by the current cost sharing rules under Treas. Reg. Section 1.482-7. The cost sharing rules require that a significant amount of profits earned by contributed IP be allocated to the contributing cost sharing participant. As such, the application of the cost sharing approach to partnerships may exceed the IRS's authority. The impact of the Notice 2015-54 may extend to other areas of partnership tax and maybe even estate and gift tax planning.

(2) **FIRPTA Reorganizations.** We are currently looking at the Requested Exclusion of FIRPTA Reorganizations from Corporate Inversion Rules. The principal covered Code Sections are 7874 and 897. Participants include: Jim Barrett, Bob Hudson, Steve Hadjilogiou, Jeff Rubinger, Joe McFarland, James Schmidt, Summer LePree, Ceci Hassan, Bobby Moore, Michael Bruno, Adam Smith, Alfredo Tamayo and Hans Tanzler IV. There is no comments deadline and this project is ongoing.

Pro Bono Volunteer Opportunities

Florida's Low Income Taxpayer Clinics (LITCs) assist low income taxpayers with IRS controversies, including, collections, liability disputes and Tax Court petitions. Studies show that representation significantly increases positive outcomes for low income taxpayers. If interested in representing a low income taxpayer, please directly contact the LITC nearest you (for a complete list of the LITCs in Florida, go to www.lsgmi.org and click on Low Income Taxpayer Clinic under Quick Links.

Volunteers needed for the U.S. Tax Court Pro-Bono Calendar Call Program. The Program is designed to have local tax practitioners volunteer their time to pro se taxpayers during Small Case calendar call sessions without entering their name as the attorney of record. If you are interested in participating, please contact Karen J. Lapekas at 305-600-1485 or karen@lapekaslaw.com.
